

GOD,
FAMILY,
ST. MARY'S

2022-2023 BOYS DIVISION & GIRLS DIVISION

The Co-Divisional Model of Education

St. Mary's Preparatory has served as a Catholic, all boys school with a Polish-American heritage and legacy since 1885. Always at the forefront of education, St. Mary's Preparatory has unveiled a bold, never before seen style of education in the Archdiocese of Detroit: A Co-Divisional model. Starting in the fall of 2020, this Co-Divisional platform (Boys & Girls Divisions) will be offered ONLY to the incoming 9th and 10th grade classes for the 2022-2023 school year. This unique model for the incoming 9th, 10th, and 11th grade classes offers the best of both worlds: a single-gender classroom experience alongside opportunities for 9th and 10th grade boys and girls to engage socially, spiritually and in co-curricular activities.

We are St. Mary's, where we redefine what it means to be college preparatory. We exist because each student brings something unique to our culture. We are a community that thrives upon celebrating differences and encouraging potential. We exist to provide deserving young men and women the moral guidance, discipline, and education to

become Christ-like models of service and leadership for the world. Join us and let us help you be the best version of you.

PASSION, PURPOSE, & PERFORMANCE

To create our mantra of God, Family, St. Mary's, we rely on Passion, Purpose, and Performance in creating great students.

It starts with our **passion** for developing intelligent, well-rounded students. Our philosophy of allowing students to develop into the adult they want to be following their own passions and goals.

We then follow with a profound **purpose** of guiding the discovery of one's individual spirituality. It is rooted in an environment that allows for support, guidance, and serenity.

Our results are then measured by our **performance**, whether it be in the classroom, our communities, or on the field. Orchard Lake St. Mary's is proud of rich tradition, our achievements, and our vision for the future.

We encourage you to become part of this experience at Orchard Lake St. Mary's.

FELLOWSHIP

Each and every student at St. Mary's Prep brings a unique set of talents, strengths, and capabilities that cannot be compared to those of anyone else. Our fellowship is strong because of the diversity amongst the students. It is impactful because of the bond our students form through their individual abilities. It is incomparable to anyone else because of the uniqueness of our surroundings. As a student at St. Mary's Prep, YOU are the fellowship.

SPIRITUALITY

The beauty and prestige of our historic campus allows our spirituality to be reflective. The serenity of Orchard Lake, the holiness of our campus grotto, and the faith within our two campus chapels remind us that spirituality is the foundation of shaping our young adults into pillars of society.

EXCELLENCE

St. Mary's Preparatory fosters an educational atmosphere that builds students to be national figures in society. With an academic model no other high school in the state can offer, our students are immersed in actual college classes located on our campus. Our affiliation with Madonna University and LTU (Lawrence Technological University) creates an exceptional academic environment that provides an education you will find nowhere else.

CHAMPIONS

Both on and off the athletic field, students are afforded opportunities to utilize their God-given talents through a vast number of sports and extracurricular activities. Our students are part of a long-standing tradition of success, guided by exceptional teachers and coaches who whole-heartedly embody the mission of our institution.

8-18

College credit hours completed by graduation on average

Our students, on average, graduate with 8-18 completed transferable college credits through our exclusive partnership with Lawrence Tech and Madonna Universities.

More valuable than testing out of freshman-level classes, the program reduces the number of total credit hours required for graduation from university programs. Additionally, the tuition for these classes is at a rate far less than the in-state university average.

ACADEMICS

St. Mary's Preparatory offers an educational experience incomparable to anyone else. Sharing a campus with Madonna University's satellite campus allows our students to take actual college courses at the high school level. The majority of Prep students seek this course of study and graduate with a high school diploma from one of the top preparatories in the Midwest, and a college transcript from a prestigious university. The typical St. Mary's Prep student will graduate with twelve college credits. Our students have the highest scholarship per student ratio amongst high schools in the state, with the average St. Mary's Prep senior earning \$48,900 in scholarship dollars upon graduation.

Our prestigious faculty includes men and women with Doctorate degrees, college professors, and published authors. Instructors stress dialogue over lecture, and incorporate a variety of pedagogies in their classrooms. A wide range of extracurricular activities are academic based: Robotics, Forensics and Debate, National Honor Society, Foreign Language Clubs, Math Club, and a one-of-a-kind student run radio station allows our students to express their classroom interests in a

capacity not bound by walls. Our seniors are immersed in internships of their career interest, giving them field work experience and preparation for their future endeavors.

of our teachers have PhDs

of our teachers have Masters Degrees

Our students have access to some of the most brilliant minds around through our partnership with Lawrence Tech and Madonna Universities. These scholars educate our students and provide a platform that challenges and broadens the thinking of our young adults. The broad background of our teaching staff adds diversity to the curriculum used to teach our students.

SPIRITUALITY

Our belief is that spirituality is the foundation of making great people. The physical assets of our campus define that. Our students walk along sidewalks that Pope John Paul II walked himself three times in his lifetime. Our students learn about faith in buildings where actual saints once sat as students themselves. Adam Maida, Cardinal and former head of the Archdiocese of Detroit, graduated from the Prep in 1948. St. Mary's Prep students and faculty attend Catholic Masses.

We come together as a Christian community to provide our students with a spiritual experience that is impactful for the rest of their lives. It is "cool" to pray, it is "cool" to find your spiritual self, and it is "cool" to profess your faith. Students come from a variety of spiritual backgrounds. We celebrate our spiritual diversity and believe that all are welcome. Students are required to participate in community service yearly, and the organizations they involve

themselves with are often reflective of their own personal passions. Our faculty and families also become involved in community service initiatives, as modeling behavior to our students is the best way for them to understand the value of their involvement in the community. Our very active Campus Ministry program works to keep our students involved in a multitude of spiritual activities. Students are often further blessed with visits and Mass celebrations from prominent Catholic figures.

These include national and international cardinals and bishops.

138

Years of spiritual leadership
and education

The legacy of Orchard Lake St. Mary's starts with our commitment to shaping our students' hearts, minds, and spirits. Since 1885, we have been creating young adults that are grounded in their spirituality.

ATHLETICS

Blessed with a history of long-standing athletic success, students are encouraged to participate in sports to both utilize their God-given talents and to share in the experience of serving as teammates. St. Mary's Prep offers fourteen different sports for boys and ten for girls, and at least one sport each season is non-cut, giving all students an opportunity to participate.

Champions on and off the field, our coaches foster an environment encouraging our student athletes to challenge themselves while inspiring others. Our world champion crew program - that has participated in regattas on two continents - has produced Olympians, 15 Ivy League rowers, and countless state champions. This incredibly unique sport, which no other Catholic high school in the metro Detroit offers, takes students who have never participated in rowing before and makes them Ivy League athletes. Rowers train on Orchard Lake, as our campus is nestled upon its beautiful shoreline.

Our athletic facilities are a few of the jewels of our unique campus. Each and every sport has practice and game facilities on our campus. This provides efficiency for our athletes and coaches, and peace of mind for parents, as our campus provides everything that our student athletes need.

90%

of OLSM students participate in at least one sport or club.

At Orchard Lake St. Mary's, we believe that to develop young men and women, we need to provide the opportunity to discover their hidden talents. We provide 40 sports, clubs, and unique extracurricular activities that offer a chance to broaden our student's horizons.

Our students have every opportunity to discover new experiences and grow into complete, well-rounded young adults.

FELLOWSHIP

St. Mary's Prep is rich in student diversity. We want students to be part of a vision they identify with. We help young adults develop themselves into respectable Christians, pillars of society, community-minded individuals, and loyal friends. Bringing individuality to every aspect of our campus, our students create their own fellowship with a goal to make a difference. A student of St. Mary's is supportive, encouraging, and motivating. All are welcome into our fellowship.

Our students reflect a sense of respect for themselves, their peers, the academic and spiritual environment of our campus, and,

collectively, they do extraordinary things. We educate students from across America and the world. Each one steps on campus with her own hopes for a successful high school experience, an experience that is impossible to have without the motivation and support of each other. Our focused and fun atmosphere, brings our fellowship closer to God.

50+

Community organizations served

We believe that our students are a reflection of our community at Orchard Lake St. Mary's. We also encourage our students to be contributors to the community outside our campus. We give our young men and women opportunities to give back in a variety of ways, from involvement in underserved communities to providing friendship and mentoring to at-risk children in the area.

We maintain that our minds, spirit, and passion are given to us to share for a better world and society.

BOARDING LIFE - BOYS DIVISION

St. Mary's Prep is the only Catholic high school in the state of Michigan that also serves as a boarding school. This one-of-a-kind experience (currently only for the boys division), allows students to enter college with an on-campus living experience. Students are able to build study habits necessary to be successful in any educational institution.

Boarding also gives students a thorough multi-cultural experience, with a host of international students residing in the dormitories. The honorable experience of being a boarding student at St. Mary's Prep invites our students to live in a communal setting at the high school level. Our collegiate campus setting and schedule further prepares students for post secondary institutions. St. Mary's thrives upon students who are interested and gifted in the arts. One notable alumni, Calvin O'Neal Jr., Class of 2008, won an Oscar for the film, "The Fantastic Flying Books for Mr. Morris Lessmore." Our world renowned symphonic band has global experience, playing with well known European orchestras. Our on campus Polish art gallery influences our artistic students through a variety of famous pieces. Family involvement is another strength

behind St. Mary's Prep. A mandatory Parent Involvement Program (PIP) is an integral part of ensuring student success on a variety of levels. Our students are extensions of their families, and family involvement is crucial to the fiber of our campus.

15

countries represented

Our boarding program is representative of cultures from around the world. The dormitory symbolizes the diversity that is part of our history, part of our culture, and integral to our community. Additionally, our boarding students have the opportunity to learn from each other, build life-long friendships, and gain experiences they would not otherwise have the chance to have the opportunity to learn from.

CAMPUS HISTORY

The Orchard Lake Schools are comprised of three educational institutions:

- St. Mary's Preparatory
- Madonna University (formerly St. Mary's College)
- The Polish Mission

Campus Highlights

- The campus of Orchard Lake St. Mary's was once the home of the Michigan Military Academy
- The Orchard Lake Schools, originally known as the "Polish Seminary," were founded in the late 19th century when the need arose for priests to care for Polish immigrants

- Remodeling and new construction from 1912 through 1928 permitted further growth in enrollment. Three distinct schools – SS. Cyril & Methodius Seminary, St. Mary's College and St. Mary's Preparatory – emerged from a restructuring of the Seminary in 1927-28, each with a four-year program.
- The campus of the Orchard Lake Schools has educated nearly 10,000 students to date.

Nearly
TWO
CENTURIES
 of a unique educational experience

Our campus was established in 1885 to allow young men to receive an alternative to traditional education. Initially, as a military academy, then transforming into a complete educational campus, we have created spiritual, military, governmental, and industrial leaders and scholars

OLSM Overview

St. Mary's Preparatory is a co-divisional, Catholic, college preparatory high school with a Polish-American heritage and legacy established in 1885. Located in Orchard Lake, Michigan, we exist to provide deserving young men and women the moral guidance, discipline, and education to become Christ-like models of service and leadership. 800 students are enrolled in grades 9-12.

Students represent over 75 cities, six states, and fifteen countries.

Accreditation and Membership

St. Mary's Preparatory is a member of the National Catholic Education Association (NCEA), and is fully accredited by MANS/MANSA. We are also participants of and accredited by the State of Michigan Department of Education Boarding School Association.

High School Data

Class day- consists of eight class periods of 45 minutes each, five days a week. School begins at 7:30am and ends at 2:35pm.

School year- four marking periods, two semesters. Traditionally, the school year begins at the end of August and ends at the end of May.

School masses- are held weekly.

Staff- 75 professional staff and faculty members. 45 hold master's degrees, three hold PHD's and seven serve as college professors. 18 male staff members are alumni.

Staff/Student ratio- 17:1

Average Class size- 20

Counseling Staff- four full time academic deans and one full time counselor assist all students in academic planning, curriculum planning, tutoring,

and college preparedness.

ACT/SAT Prep- Free preparation courses for these college entrance exams are offered at various times throughout the school year.

Academic Program Curriculum

Students in grades 9-12 may choose from over 50 different courses. The academic courses are offered at the traditional college preparatory pace, with over 60% of them being offered at the honors and AP level.

Advanced Placement

Advanced Placement (AP) courses are available in English, Mathematics, Science, History, and World Languages. Students are welcome to take the AP exam in all areas without completion of the AP classwork.

College Courses

Our affiliation with Madonna University and Lawrence Technological University allows students to take actual college courses on our campus. The typical St. Mary's senior will graduate with twelve college credits. This allows students to receive a St. Mary's Preparatory diploma, and a Madonna University and/or Lawrence Tech transcript. These college courses typically transfer as general education credits to the university of his or her choosing. College courses are offered in English, Mathematics, and Science.

OPPORTUNITY

St. Mary's Preparatory has a unique partnership with Madonna University and Lawrence Technological University who each house a branch on our campus. St. Mary's Prep students are able to take actual college classes, and graduate with a Madonna University and Lawrence Tech transcript, reflective of the courses they have taken and grades they have earned.

Courses Description

Calculus with Analytic Geometry I. (5 credits)

Topics include a study of limits, continuity, derivatives of algebraic and transcendental functions, applications of derivatives, integrals, and the Fundamental Theorem of Calculus.

Calculus with Analytic Geometry II. (5 credits)

Topics include a study of methods of integration, applications of integrals, sequences, series and power series, parametric curves, and polar coordinates.

College Composition I. (3 credits)

Study and practice of strategies for academic writing, with a focus on writing and reading descriptive, narrative, and expository

essays. Emphasis on writing as a process. Introduction to information literacy.

College Composition II. (3 credits)

Study and practice of strategies for academic writing, with a focus on writing and reading persuasive and argumentative essays. Continued emphasis on writing as a process. Development of information literacy skills, as applied to writing a substantial research paper. An exit portfolio, to be scored by at least two Composition instructors is required for successful completion of the course.

General Biology I. (3 credits)

A course for non-science majors, presenting biological concepts influencing individual decisions affecting community structure and the state of the world. Lecture 3 hours, Laboratory 3 hours.

General Biology II. (3 credits)

Fundamental biological principles and problems as they apply to evolutionary theory, biosystematics, plant structure and function, animal behavior, and ecological concepts. Lecture 3 hours, laboratory 3 hours.

Introduction to Engineering. (2 credits) Survey of the scope engineering and the engineer's role his in society. Basic engineering tools such as math modeling, calculator usage and graphic design principles. Design project involving teamwork required.

Introduction to Engineering. (2 credits) An integrated course in engineering graphics for all students in the College of Engineering. Introduction to graphics in design, fundamentals of orthogonal projection and experience in applying these principles to the solution of space problems. ACAD software. Student will get credit and certificate for CAD.

Introduction to Psychology. (3 credits)

Introduction to the study of motives at work in human behavior; understanding of perception, reasoning, memory, consciousness, intelligence, psychopathology, and individual differences.

60%

60% of the senior class graduates with 9-12 college credits

Located in northwest Oakland County, our campus provides an atmosphere unmatched at any educational institution in the midwest. With Orchard Lake as the doorstep, our students experience an environment that is not only conducive to learning, it also provides a framework to explore new possibilities as they learn.

acres of serenity, tranquility, and beauty

DIE CUT AREA

Boys Division

Orchard Lake St. Mary's has a legacy of creating great minds and well rounded young men. We are now taking a 135 history and combining it with a revolutionary learning program to develop a unique, innovative vision of the future of education. This evolution provides you with an experience that will contribute to shaping the rest of your life.

We have taken this knowledge and combined it with our extraordinary 115-acre campus to create an outstanding experience. You will walk to class on holy ground, once walked by Saint John Paull II himself. St. Mary's is a place where young men utilize and expand their God-given talents with experience, guidance, and encouragement.

Students like yourself are given opportunities that are individually unique to St. Mary's Prep and resources to continuously grow spiritually, academically, and athletically. The culture this creates will be part of something bigger than yourself and build a unique adventure.

OLSM believes that students thrive in a culture of spirituality and individualism, and accept challenge and leadership in creating an accomplished, positive version of themselves.

We are St. Mary's, where our caliber of education and spiritual guidance is inclusive of the entire family.

"For 138 years, the St. Mary's Boys Division has provided young men the opportunity to surround themselves with like-minded individuals in the pursuit of excellence in the classroom, on the field, and in the community. It is an honor and privilege to be part of his Brotherhood that has stood so many tests of time."

DIE CUT AREA

"I am so incredibly grateful that our boys pushed us to consider St. Mary's. My husband and I are the parents of 4 boys. Our twins just graduated in the class of 2021. We also have a son in the class of 2024 and our youngest son will be in the class of 2026. When our twins were in 8th grade we struggled with the decision to send our twins to St. Mary's. Our public

school is a very good high school and we worried about the financial commitment it would be for our family of four boys to go to a private school. Yet our twins kept pushing us to consider St. Mary's and eventually we let them shadow. The minute they walked to the car after their shadow day, I could tell that they were all in. They loved their day on campus and I saw true excitement

in them for their high school experience. We talked to several people at OLSM and every one of them radiated a special spark when they talked about their St. Mary's experience. We jumped in and have never regretted our decision."

Orchard Lake St. Mary's Preparatory Student Life and Culture

Family Involvement

St. Mary's Prep is built on the strength of its students and the families that support them. Parents participate in the following events:

- Polish Country Fair
- School Auction
- Athletic Boosters Club
- Ring Day
- Graduation
- Founder's Day

The Moms and Dads Club

This organization, completely manpowered by school parents, has long been an integral part of the successful fundraising activities and the various award and achievement ceremonies at the school. The Moms and Dads Club strives to generate in excess of ½ million dollars a year.

Parent Involvement Program (PIP)

- Families are required to donate 40 hours of service each year
- Family hours support the Polish Country Fair (Memorial Day Weekend), Athletic Department, School Auction, and other campus events

Notable Alumni

Jay Penske (1997) – owner of Indy Car Company "Dragon Racing" and founder, Chairman and CEO of PMC (Penske Media Corporation).

Calvin O' Neal Jr (2008) – Oscar winner for the film "The Fantastic Flying Books of Mr. Morris Lessmore"

Allen Robinson (2011) – NFL Pro Bowl Player

Adam Maida (1948) – Cardinal and previous head of the Archdiocese of Detroit

David Simon (1998) – US Olympian 2000

14
States

The Orchard Lake St. Mary's culture is made up of students from around the country and around the world. We pride ourselves on fostering a culture that represents new ideas, diverse thinking, and groundbreaking learning. We go further by not only addressing the needs of our

students, we also help them live out their dreams and experience new viewpoints and customs.

The OLSM experience can only be described as fascinating as well as unequaled.

STUDENT HOUSING The Boarding Program

It is the mission of the St. Mary's boarding program to help develop our residents into men of character, integrity and self discipline based in conjunction with all the philosophies and guidelines of St. Mary's Prep.

Why board at St. Mary's Prep?

- Opportunity to enter college with on-campus living experience.
- Build study habits necessary to be successful in college setting or any educational institution.
- Multi-cultural experience. St. Mary's represents multiple countries and states in the dormitory!
- Five and seven day boarding opportunity.
- Wi-Fi in room and computer lab; full firewall protection.
- Teachers serve as evening tutors during study hall hours.
- Weekend activities
- Complete high school experience.

Daily Schedule

6:00 a.m.	Wake up call, morning announcements
6:45 a.m.-7:15 a.m.	Breakfast and morning check-in in cafeteria
7:20 a.m.	End of morning check in, rooms checked/locked
7:30 a.m.- 2:45 p.m.	SCHOOL DAY
2:45 p.m. - 6:00p.m.	Free time, after school activities, athletics
5:45 p.m. - 6:30 p.m.	Dinner
6:30 p.m. - 7:00 p.m.	Free time, prepare for study hall
7:00 p.m. - 9:00 p.m.	Study hall
9:00 p.m. - 10:30 p.m.	Free time, prepare for lights out
10:30 p.m.	Lights out and room checks

3.56 GPA

For 100 years, the Orchard Lake St. Mary's rowing team has established itself as a top program globally.

Our on-campus athletic facilities also include:

- A state-of-the-art ice arena with an indoor running track.
- Outdoor football, baseball, and soccer

fields.

- 1.66 square mile Orchard Lake with rowing team training and competition center

- Track & field facilities

- Full performance weight training center

Our goal is to provide an experience for all our students to enjoy.

GOD,
FAMILY,
ST. MARY'S

Girls Division

Imagine a place where you will be part of history. Where you will have a hand in designing your high school experience and what the high school experience will be like for young women in the future.

The Girls division at Orchard Lake St. Mary's is such a place. We have taken 136 years of educating and created a pro-active experience that includes a revolutionary learning program. Beyond the educational philosophy, OLSM offers a culture where you have a chance to be part of something bigger than yourself and build a unique adventure.

OLSM believes that young adults thrive in a culture of spirituality and individualism, that accept challenge and leadership in creating an accomplished, positive version of themselves.

The beauty in our 115-acre campus holds an educational experience as equally beautiful. You will walk to class on holy ground, once walked by Saint John Paull II himself. St. Mary's is a place where young women utilize and expand their God-given talents with experience, guidance, and encouragement. Students like yourself are given opportunities that are individually unique to St. Mary's Prep, and resources to continuously grow spiritually, academically, and athletically. We are St. Mary's, where our caliber of education and spiritual guidance is inclusive of the entire family.

"When we found out our oldest daughter , Bella could attend my beloved Alma Mater and make history by being the first group of girls, my wife and I decided to move our family back to Michigan. This decision has allowed her to grow in ways we could have never imagined. We have seen her flourish In her faith,

academics, athletics, and friendships. This is largely because of the faith and family community that St. Mary's provides for their students. Being one of the first girls, she has stepped into opportunities that as an alumni I can attest to would only be found at St. Mary's. OLSM has provided an atmosphere to push me to be the best

version of myself and I am extremely blessed that she can follow in the family tradition as an Eaglet."

Adam Raynish, Class of 1998;
current St. Mary's Prep Parent

DIE CUT AREA

"I am so honored to have had the privilege of teaching the first ever girls division at St. Mary's Prep.

We focus on fostering all the qualities that promote a successful and fulfilling future. I am so excited to welcome the next group of young women to the sisterhood of OLSM."

Allison Richards
current St. Mary's Prep Teacher

GIRLS DIVISION CULTURE, ATHLETICS, AND EXTRA CURRICULAR

The cornerstone of the Orchard Lake St. Mary's Girls Division is the ability to provide the opportunity for students to discover themselves. Developing your unique personality is essential to expose yourself to a variety of activities. From team sports to specific interest clubs, Orchard Lake St. Mary's offers something for everyone. We continually research the possibility of creating new clubs that will meet unique and specific needs. As we continue to evolve, we are always searching for new ways to create the best student experience possible. Our purpose is to provide the most fulfilling experience possible to our young women.

Family Involvement

St. Mary's Prep is built on the strength of its students and the families that support them. Parents participate in the following events:

- Polish Country Fair
- School Auction
- Athletic Boosters Club
- Ring Day
- Graduation
- Founder's Day

The Moms and Dads Club

This organization, completely manpowered by school parents, has long been an integral part of the successful fundraising activities and the various award and achievement ceremonies at the school. The Moms and Dads club strive to generate in excess of $\frac{1}{2}$ million dollars a year.

Parent Involvement Program (PIP)

- Families are required to donate 40 hours of service each year
- Family hours support the Polish Country Fair (Memorial Day Weekend), Athletic Department, School Auction, and other campus events

Notable Alumni

Jay Penske (1997) – owner of Indy Car Company "Dragon Racing" and founder, Chairman and CEO of PMC (Penske Media Corporation).

Calvin O' Neal Jr (2008) – Oscar winner for the film "The Fantastic Flying Books of Mr. Morris Lessmore"

Allen Robinson (2011) – NFL Pro Bowl Player

Adam Maida (1948) – Cardinal and previous head of the Archdiocese of Detroit

David Simon (1998) – US Olympian 2000

As the Girls Division continues to grow, so will the sports we offer! We are committed to providing a robust and extensive Girls Division athletic program
