HSPT QUICK Q&A;

Is it written or digital? The HSPT is multiple choice. Students work from a test booklet and record answers using the answer method provided for the administration.

How long do they have? The five core sections total approximately **2 hours and 23 minutes** of testing. With instructions and two short breaks, plan for the full morning.

Is each section timed? Yes. Verbal Skills – 18 min.; Quantitative Skills – 30 min.; Reading – 25 min.; Mathematics – 45 min.; Language – 25 min.

How many sections? Five: Verbal Skills, Quantitative Skills, Reading, Mathematics and Language. **The optional Science test will NOT be administered.**

Any other insight? The HSPT is fast-paced. Work steadily and answer every question. Calculators are not permitted.
