

# Orchard Lake St. Mary's Preparatory

## A high school environment like no other

A unique **Co-Divisional model** starting in the fall of 2020. Single gender classes with the advantage of co-educational interaction socially, spiritually, and in co-curricular activities.

Collegiate campus setting. Students are not limited to one building, rather, there are 115 acres of campus **affording students space, and fresh air in between each class.**

**Small class sizes.** The average class size is 13 students.

**Multiple dining halls.** Freshmen (girls and boys), sophomores, juniors, and seniors **all** eat in separate dining halls.

**Students walk Holy Ground every day.** Saint John Paul the II visited campus twice during his lifetime. Weekly school masses and whole school emphasis on faith and spirituality

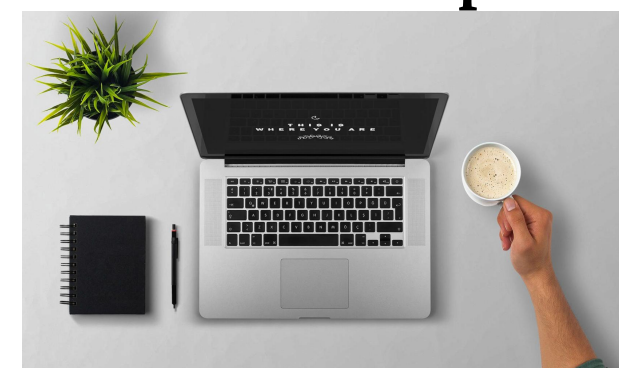

On campus classes offered from **Madonna University and Lawrence Technological University.**

**Elite Boarding program for high school boys.** state of the art boarding facility providing a healthy and safe boarding school environment

## The high school experience when life takes us off campus
