

# ST. MARY'S PREP BOYS DIVISION SHADOW DAY DETAILS

## Dress Code

Boys should wear black, navy blue, khaki or grey dress or dockers style pants. They may wear a solid colored polo shirt (navy, red, black, blue, grey, or white) no neon or loud colors, or they may wear an oxford style dress shirt and tie. Dress socks and dress shoes required- no tennis shoes or sandals. Students should be weather appropriate with their outerwear. Students to travel outdoors between classes so coats when appropriate are a must.

**\*\*please note, shadows who arrive not in dress code will not be able to stay for their shadow day\*\***

## Arrival

Boys Division Shadows should be dropped off at **7:15am at the Admissions Center. The Address to the Admissions Center is 3735 Commerce Rd. Orchard Lake, MI 48324.**

Once you arrive, please park in the large lot to the right of the building.

---

## Lunch

Lunch is on us! No need to bring something unless your student has a specific need or allergy. Lunch is pretty typical cafeteria food: pizza, burgers, chicken, fries, salads, etc., are all daily staples kids can turn to when in doubt!

## What to bring

An important part of the shadow day experience is observing classes, so guests should not bring anything with them that might distract them from this. Students may carry their cell phones, but they need to be on silent or vibrate as per school policy.

---

## Pickup

Boys Division shadows can be picked up at 12:00pm from the Admissions Center. At the end of a Shadow Day, our admissions staff will wrap up with the visitors by talking about their day, answering questions, and talking about next steps in the admissions process. Students will leave with a gift bag and admissions information.

---

## Parent Tours

Parents and students should plan to attend our October 23rd Open House for a full campus tour and meet and greet with our entire staff. Parent Experience Tours are also available monthly and can be signed up for on our website. Individual Parent Tours are NOT available on your child's shadow day; We carefully construct a parent visit different than a student visit and our Parent Experience Tours provide the best look at OLSM from a parent point of view. Please visit our website [www.olsmadmissions.com](http://www.olsmadmissions.com) for more information.
